

# Pest Technician Vacancy

---

EcoPest Services LLC, is an Angie's List highly rated pest control firm serving the Kansas City metro area since 1998. Due to rapid growth in the residential and commercial sectors, we are in need of a full time pest technician to join our team.

## **Responsibilities:**

Maintain a service route of residential and commercial clients with regards to meeting their termite and general pest control needs. Proper diagnosis of pest (insect, spider, termite, rodent, etc.) problems and the provision of safe, efficacious and economical solution is paramount to this position.

## **Requirements:**

Must have a minimum of two years of pest and/or termite control experience; a college level course in entomology is a plus.

A stable work history

Good communication skills.

Present a neat appearance and be well groomed

Have a clean driver's license

Pass a background screening

Sales experience is a plus

## **Benefits**

Paid holidays

Use of company vehicle for work

Uniforms provided

Guaranteed base pay plus commission. Actual pay will be dependent upon qualifications and experience.

EcoPest is a drug-free workplace.
